Teacher Table

Mentor-1 1301

The TEACHER TABLE "Mentor-1"
is a sleek and functional workstation designed for educators. It offers a spacious surface (1200mm W × 600mm D x 750mm H) perfect for teaching materials and digital devices. With an ergonomic height of 750mm, it ensures comfort during long sessions. Its durable build and clean design make it ideal for modern classrooms and professional environments. This desk combines practicality with a polished aesthetic for everyday use.

Dimensions:
W 1200mm × D 600mm × H 750mm
(Ideal size for teaching materials, laptop, and personal workspace)

Key Features:
Sturdy Construction , Spacious Surface , Ergonomic Height , Modern Design , Durable Finish

Mentor-2 1302

Dimensions:
W 1500mm × D 750mm × H 750mm

Library

Wisdom- 1 4102

900(W) X600(D) X 1080mm (H)

Built with structural cross-bracing at the rear to guarantee wobble-free stability, this low-height rack offers easy-to-access, high-capacity storage for books, journals, and files without dominating the room's visual profile.

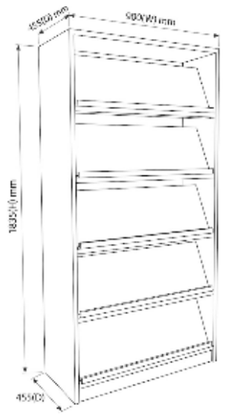

Wisdom-10 4104

WISDOM-10a 4105

900(W) X600(D) X1835mm (H)

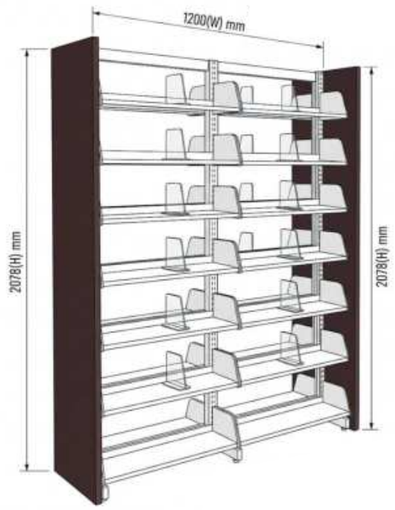

Constructed with robust slanted steel shelves, an integrated front retaining lip, and elegant outer frame choices available in both heavy-duty metal and rich wooden finishes, it is engineered to handle extensive collections of magazines, journals, and premium periodicals without slipping or bending.

Wisdom- 3 4103

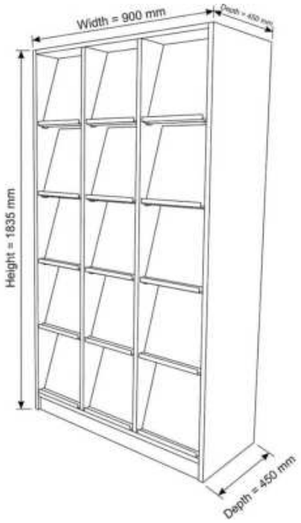

1200(W) X590(D) X 2078mm (H)

Constructed with robust steel shelves, a central spine support, and elegant metal side panels, it is engineered to handle massive collections of books, magazines, and heavy binders without warping. The open-aisle layout provides easy visibility and quick access from both sides, making it the ultimate solution for high-density reading zones.

Wisdom- 12 4106

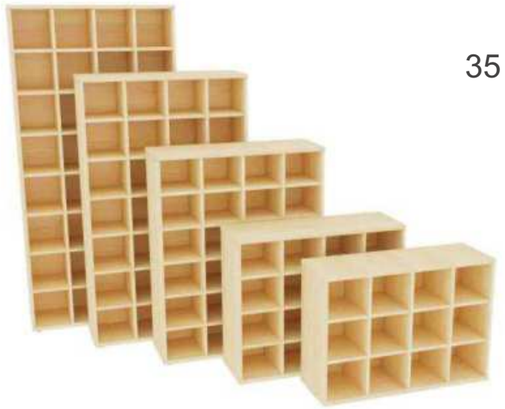

900(W) ×455(D) × 1835(H) mm

Constructed with robust slanted steel shelves, an integrated front retaining lip, and a premium multi-column outer casing, it is engineered to handle massive collections of magazines, journals, and daily newspapers without bowing or shifting. The open, face-forward 3-column layout maximizes visibility and ensures quick access to extensive literature.

Wisdom-14 4107

4108 , 4109 ,4110, 4111

Built with structural cross-bracing at the rear to guarantee wobble-free stability, this low-height rack offers easy-to-access, high-capacity storage for books, journals, and files without dominating the room's visual profile.

Wisdom-2 4112

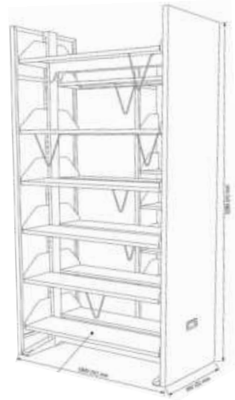

900(W) X600(D) X 1895mm (H)

Constructed with robust steel shelves, a central spine support, and elegant wooden side panels, it is engineered to handle massive collections of books, magazines, and heavy binders without warping. The open-aisle layout provides easy visibility and quick access from both sides, making it the ultimate solution for high-density reading zones.

Wisdom-4 4113

1800(W) ×350(D) × 2280(H) mm

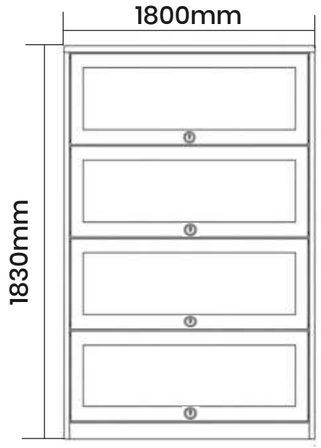

Constructed with robust slanted steel shelves, an integrated front retaining lip, and elegant outer frame choices available in both heavy-duty metal and rich wooden finishes, it is engineered to handle extensive collections of magazines, journals, and premium periodicals without slipping or bending. The face-forward tiered layout provides easy visibility and quick access to all reading materials.

Wisdom-36 4114

1800(W) ×400(D) × 1830(H) mm

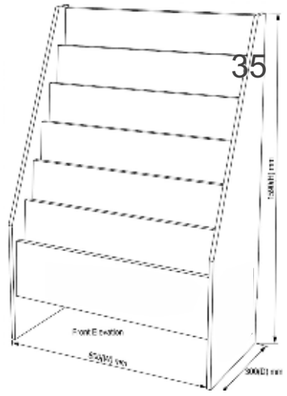

This is a four-tiered industrial storage cabinet or bookcase featuring a sleek, solid grey finish. Each of its spacious horizontal compartments is enclosed by a rectangular glass-panel door, providing a clear view of the contents while keeping them protected.

Wisdom-15 4115

800(W) ×300(D) × 1590(H) mm

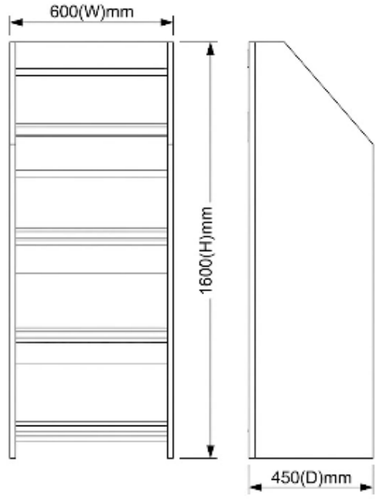

This is a multi-tiered wooden display rack designed with a sloped, stepped profile to showcase literature prominently. It features six narrow, terraced shelves that allow books, magazines, or brochures to stand upright with their covers facing entirely forward for easy visibility and access.

Wisdom-16 4116

Magazine Storage cum display
600(W) ×450(D) × 1600(H) mm

This is a compact, vertical newspaper and periodical display stand finished in sleek matte black. It features three flat interior shelves perfectly sized to hold stacked newspapers or magazines, while the distinctively tall, angled upper section serves as a prominent display area to showcase a featured.

Wisdom-17 4117

Revolving. Magazine stand

Wisdom-34 4119

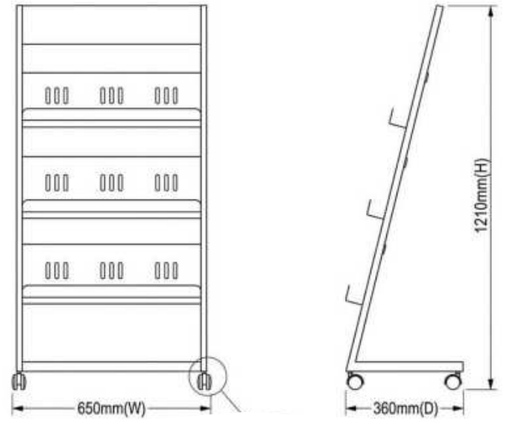

New's Paper Stand
900Wx 600Dx 1500H mm

Wisdom-18 4118

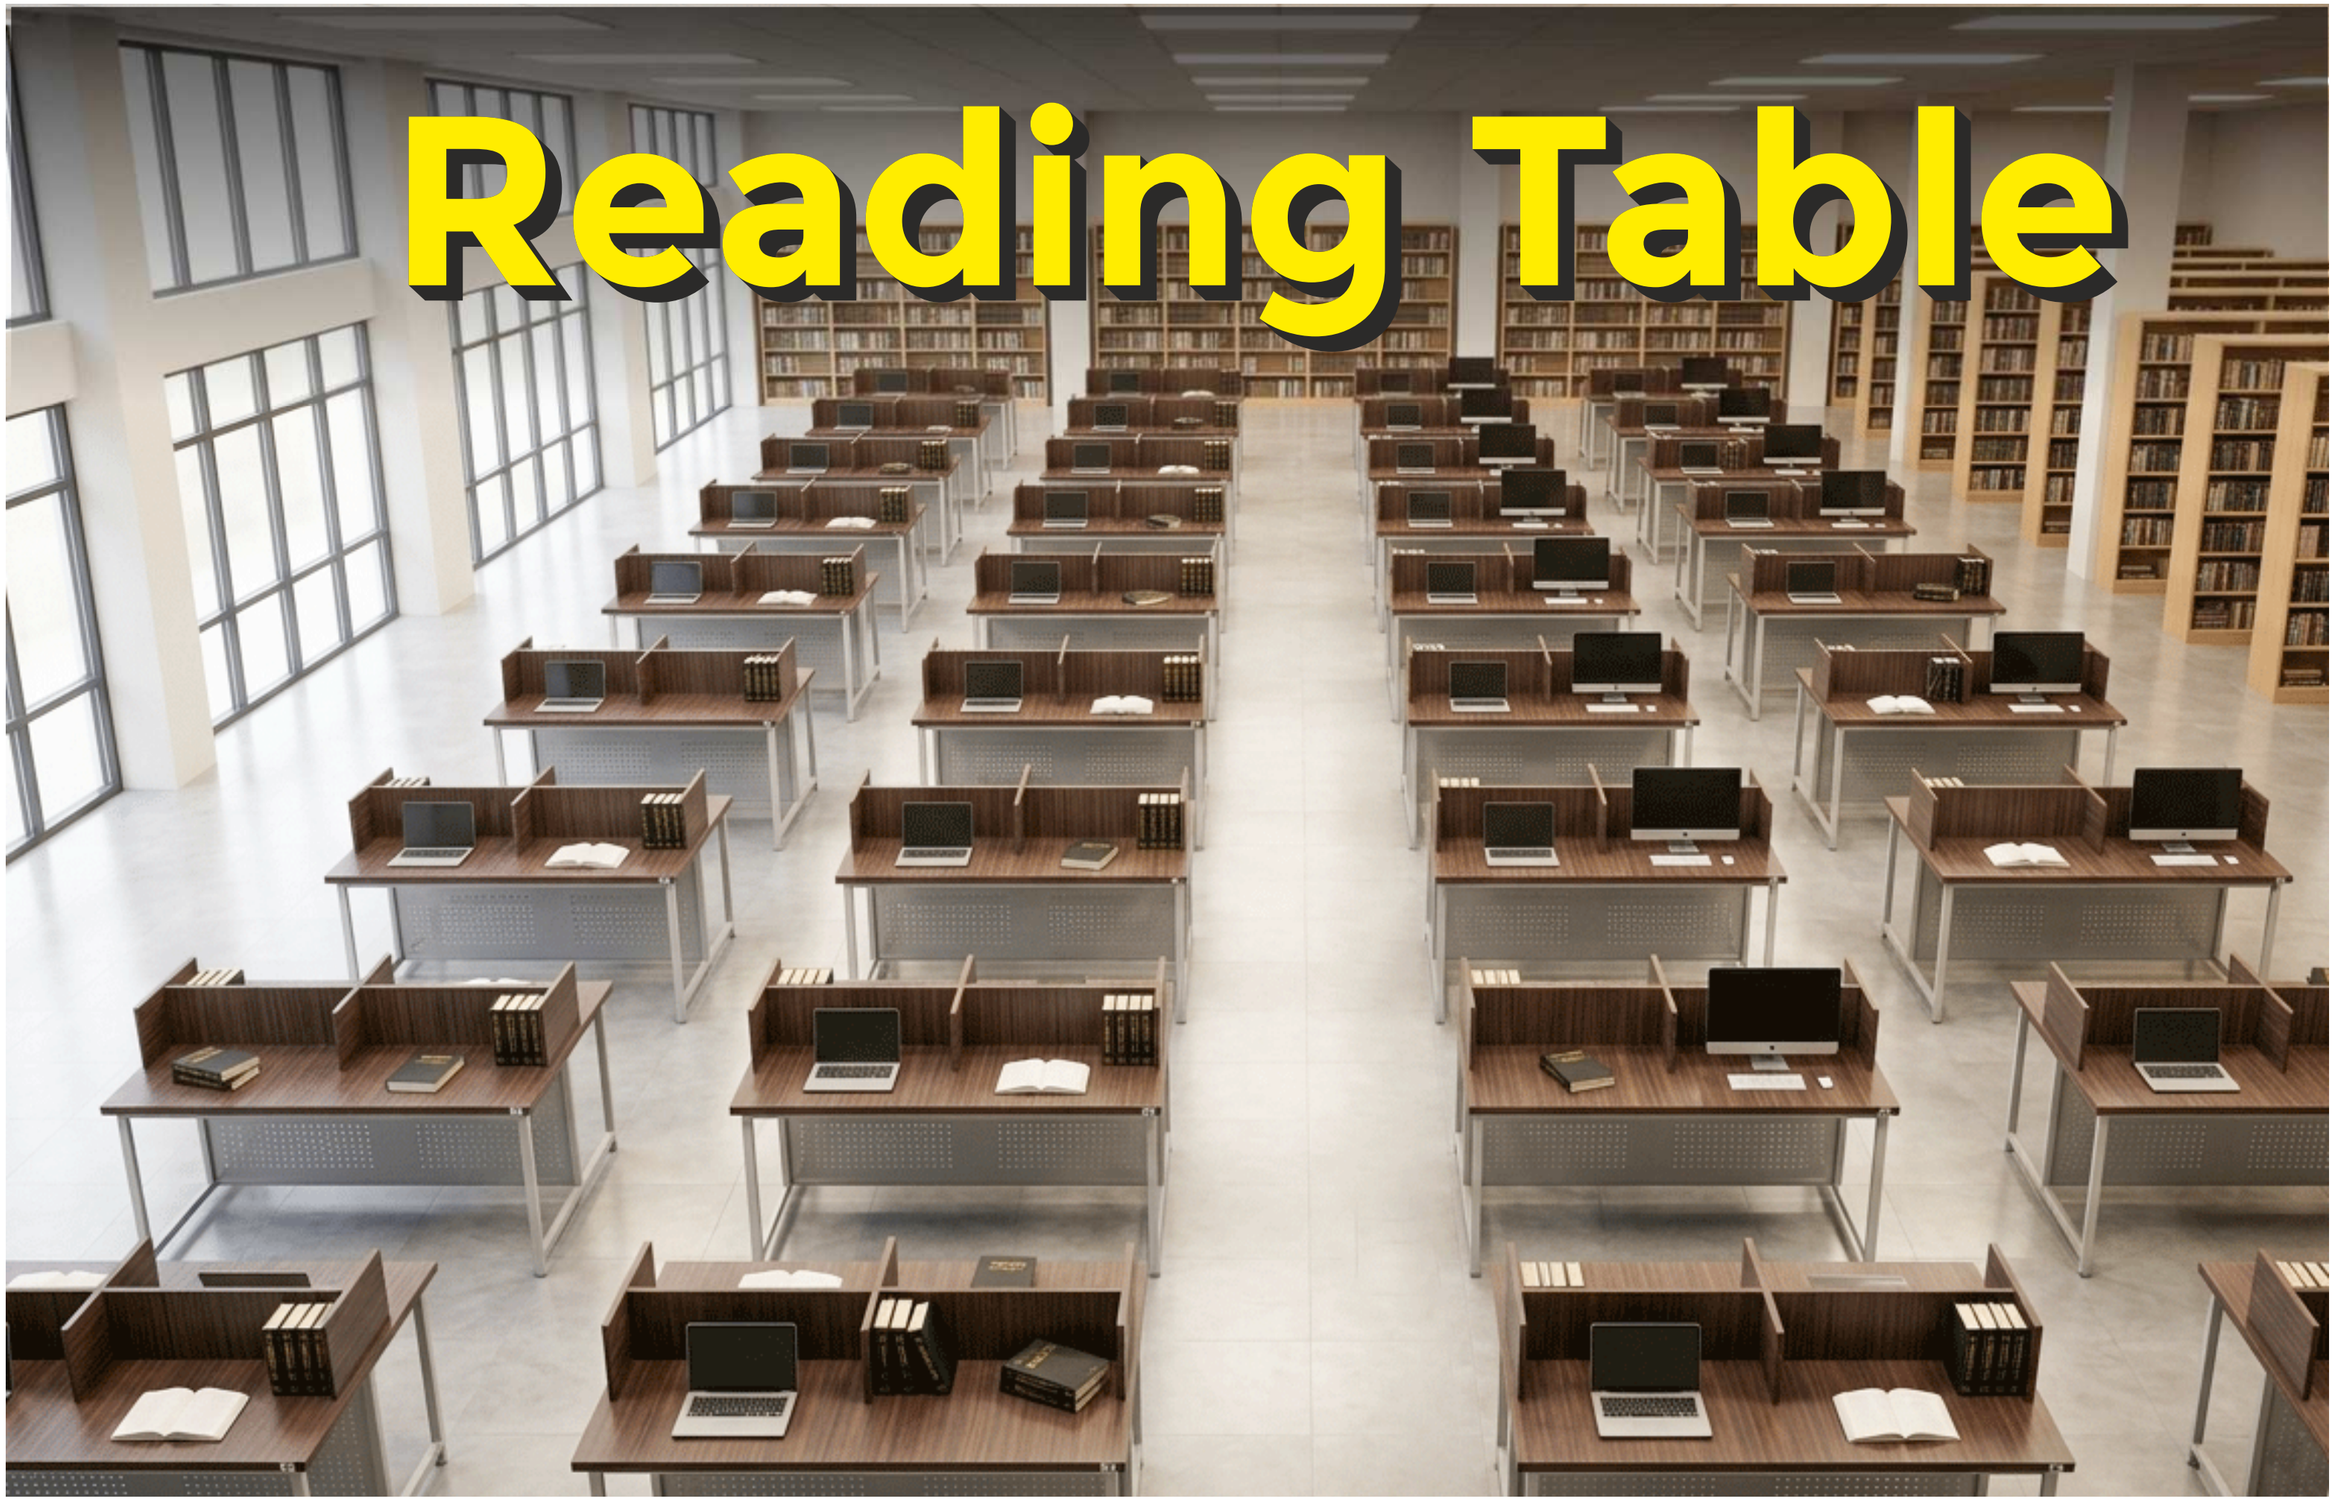

Magazine Display Stand (24" tray)
W650x x D360 xH1210 mm

Featuring three tilted, forward-facing display tiers accented with stylish vertical ventilation cutouts, it ensures your literature, catalogs, or magazines remain beautifully visible and neatly organized. Built on a sturdy solid-shelf base equipped with smooth-rolling, 360-degree casters.

Reading Table

Wisdom-19 2602

1500(W) ×600(D) × 1200(H) mm

The standout feature is the integrated, overhead LED canopy light that casts a warm, glare-free glow over the entire workspace, reducing eye strain during long hours of reading or screen time

Wisdom-21 2603

Wisdom 21A - 2604

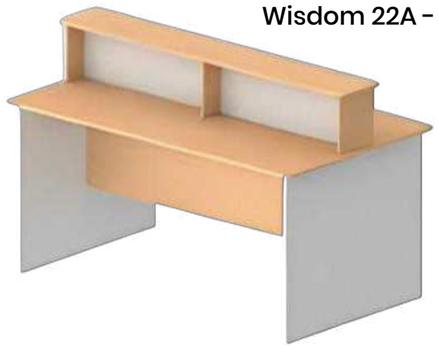

1200(W) ×900(D) × 770(H) mm

Engineered for dual-sided efficiency, it features a center-cross privacy divider that creates individual, distraction-free study pods for focused learning. The workstation is built on a heavy-duty steel frame with integrated perforated privacy modesty panels below, ensuring stable support, optimal airflow, and privacy

Wisdom-22 2605

Wisdom 22A - 2606

2700(W) ×1200(D) × 1200/750(H) mm

The standout feature is the elevated upper hutch shelf, complete with a center divider, which provides the perfect platform for computer monitors, books, or desk organizers while keeping your main work surface completely clutter-free.

Wisdom-25 2607

2700(W) ×600(D) × 1200/750(H) mm

Featuring high, wrap-around privacy panels with elegantly rounded corners, this modular unit creates three completely distinct, distraction-free zones for absolute focus. Each individual pod offers a deep, spacious work surface capable of housing textbooks, notebooks, and laptops comfortably

Wisdom-27 2608

1800Lx 900Wx 750H mm

nanding environments like school libraries, universities, and seminar rooms, it is anchored by a rock-solid, powder-coated black steel perimeter apron and heavy-gauge tubular legs.

Wisdom-26 2609

1800 (L) x 900 (D) x 750mm (H)

Engineered with structural integrity in mind, the table is supported by a rugged, cream-coated steel frame complete with a reinforced center-ground crossbar for wobble-free stability. Its clean, open silhouette effortlessly accommodates multiple users across from one another, providing an expansive, distraction-free surface for laptops, shared documents

Wisdom-29 2610

The table features a rich, scratch-resistant wood-grain tabletop with bold, clean lines, accented by a contrasting white perimeter border and robust solid wood legs. Its minimalist, open silhouette provides uncompromised legroom and a massive surface area for shared documents, laptops, and multimedia setups.

Wisdom-31 2611

2700(W) ×600(D) × 1200/750(H) mm

The center attraction is the integrated, bright blue privacy divider running down the middle, allowing students across from each other to work in their own distraction-free zones while still sharing a common collaborative table.

AI-enhanced product illustration: Wisdom 27

Wisdom-30 2612

1800(W) ×900(D) × 750(H) mm

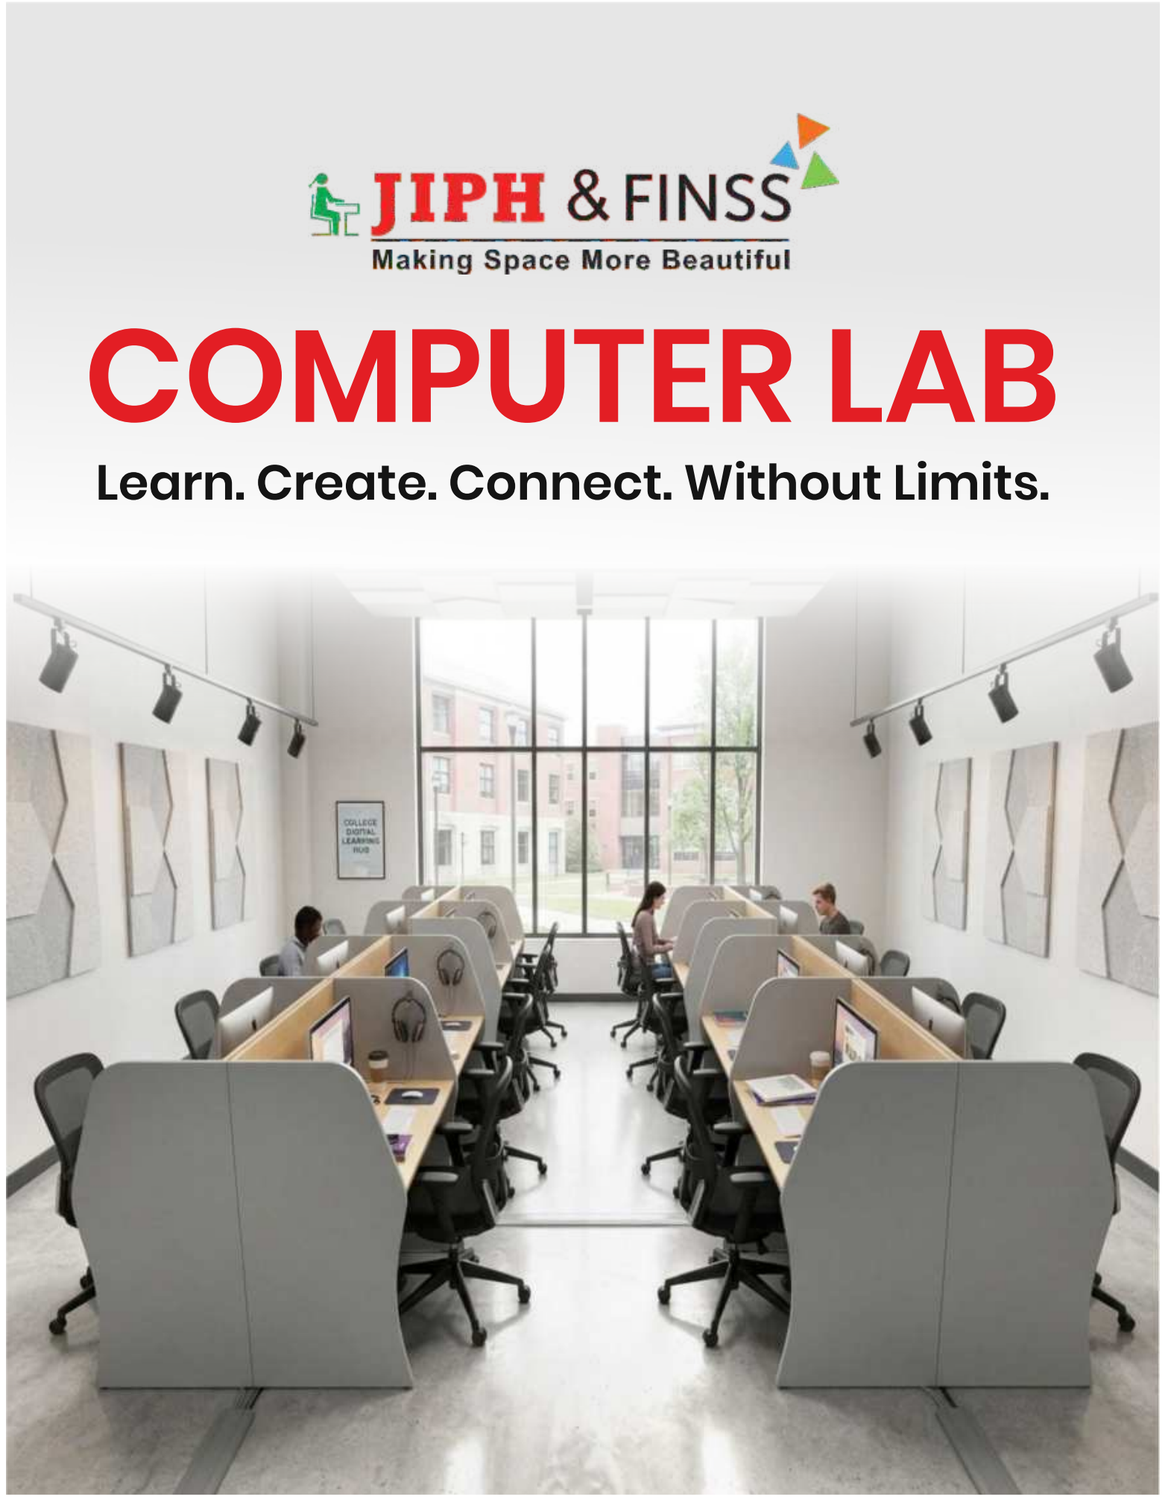

Smartly designed to maximize productivity, this workstation offers exceptional stability, clean cable management, and ample Learning workspace.

Wisdom-50 2613

1200 (W) x 600 (D) x 750 (H) mm

Crafted for readers, learners, and professionals, this modern reading table offers ample workspace, lasting durability, and a clean contemporary design. Perfect for libraries, study zones, and collaborative learning spaces.

Linux-1 2901

Overall Dimensions (W x D x H)
2400 (W) x 600 (D) x 750 (H) mm

Key Feature:-

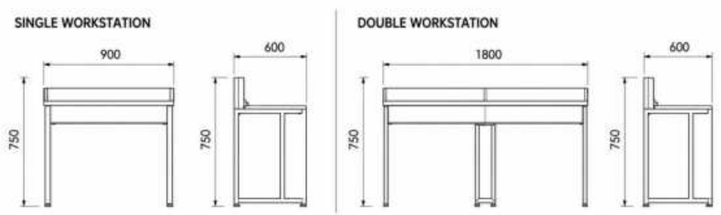

- Premium Laminate Work Surface – Scratch, stain, and wear-resistant for everyday institutional use.
- Integrated Cable Management – Concealed cable routing keeps the workstation neat,safe &clutter-free.
- Spacious Dual-User Workstation – Optimized desktop space for comfortable learning computer usage.
- Technology-Ready Configuration – Designed to support modern computer labs, digital classrooms, and training centers.

1. Optimized Mattress Height 2.Solid Panel Construction
3.Plinth-Style Base Design 4.Seamless Edge Banding 5.Rigid Internal Support

Overall Dimensions (W x D x H)
2005 (W) x 950 (D) x 920 (H) mm

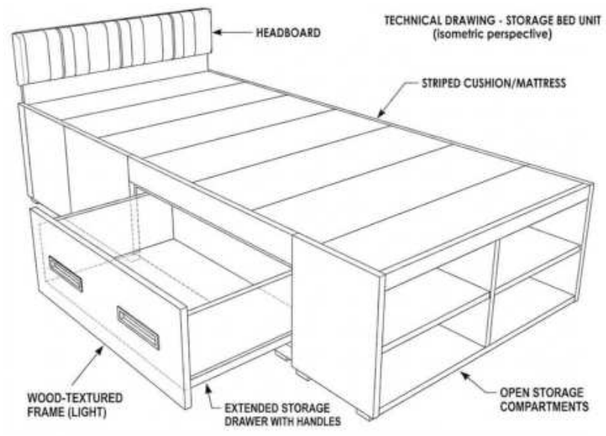

MAGNUM- 1 5005

Multi-Functional Storage Optimization: This innovative bed serves as a smart, space-saving unit by incorporating both enclosed and open storage directly into the frame.

Massive Pull-Out Side Drawer: Equipped with a large, heavy-duty sliding drawer on the side, this bed provides an easily accessible space for personal belongings, clothing, or extra bedding.

Integrated Footboard Display Shelves: The foot of the bed features a built-in, four-compartment open shelving unit that acts as an organized storage organizer.

Overall Dimensions (W x D x H)
1900 (W) x 900 (D) x 660 (H) mm

AI-enhanced product illustration: Magnum 1

MAGNUM-20 5001

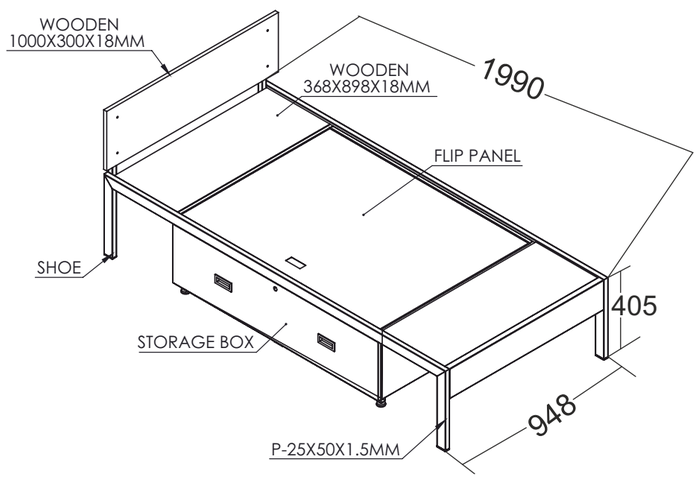

Feature:-

Large Under-Bed Storage Drawer: Equipped with a spacious, built-in rolling storage unit beneath the frame to store luggage, extra bedding, or personal items efficiently.

Center Support Caster: The under-bed drawer features a center-mounted caster wheel to distribute weight evenly, preventing floor scratches and ensuring smooth rolling.

Elevated Multi-Tone Platform: A stylish, multi-colored top surface panel that gives the bed a premium look while providing a flat, stable foundation for any mattress type.

Overall Dimensions (W x D x H)
1990 (W) x 948 (D) x 450 (H) mm

MAGNUM-37 5007

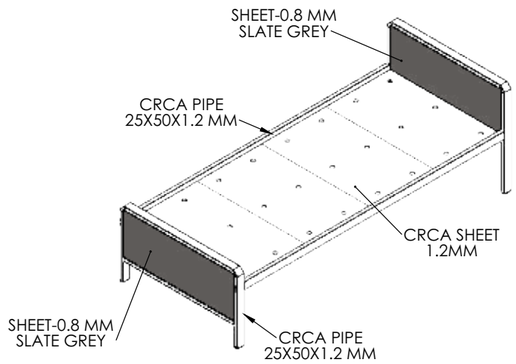

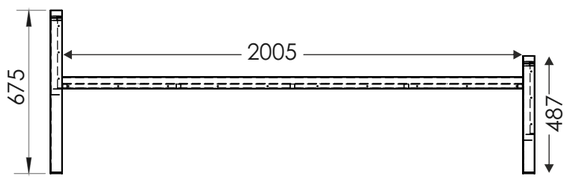

Feature:-

Heavy-Duty Steel Construction: Built with a reinforced, commercial-grade square metal frame engineered to withstand rigorous, long-term use in high-traffic student housing.

Chamfered Safe Corners: The top corners of both the headboard and footboard are smoothly chamfered (angled), removing sharp edges to prevent accidental bumps or injuries.

Perforated Mattress Platform: The solid white bed base is engineered with a grid of precision-drilled ventilation holes to promote optimal airflow, preventing moisture buildup and keeping the mattress fresh.

Overall Dimensions (W x D x H)
2005 (W) x 864 (D) x 487 (H) mm

MAGNUM-16 5008

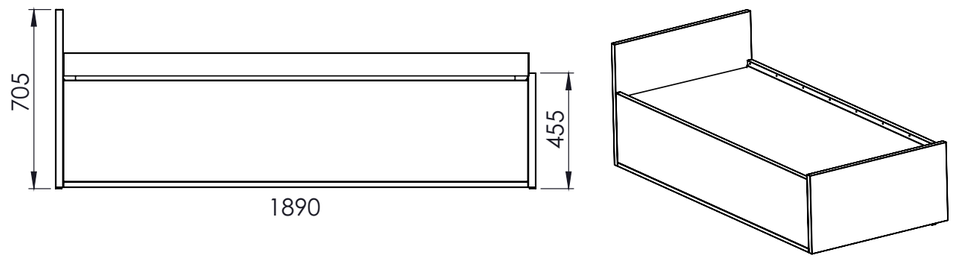

Feature:-

Massive Hinged Box Storage: Features a wide-opening top panel that lifts effortlessly to reveal a massive, full-length storage compartment beneath the mattress area.

Contemporary Dual-Tone Finish: Features a sleek combination of dark wood/charcoal panels paired with a crisp white side frame, offering a modern, premium look for premium student housing.

Integrated Headboard: Built with a high-profile headboard that protects the wall from scuffs and offers comfortable back support for reading or studying in bed.

Overall Dimensions (W x D x H)
1990 (W) x 948 (D) x 450 (H) mm

MAGNUM-10 5009

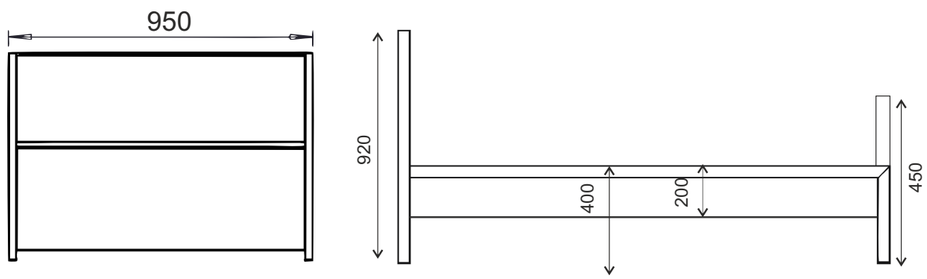

Feature:-

Rich Natural Wood Finish: Crafted with a premium, warm wood-grain laminate or veneer finish that adds a cozy, welcoming, and home-like feel to standard hostel rooms.

High-Profile Panel Headboard: Features a tall, solid wooden headboard that provides excellent back support for sitting up to study, read, or use a laptop

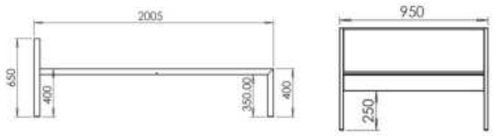

Premium Edge Banding: All exposed panel edges are meticulously finished with smooth edge-banding to eliminate sharp corners and prevent snagging on bed sheets or clothing.

Overall Dimensions (W x D x H)
1990 (W) x 948 (D) x 450 (H) mm

MAGNUM- 7 5010

Overall Dimensions (W x D x H)
2005 (W) x 950 (D) x 920 (H) mm

This contemporary single hostel bed features a durable white metal square-pipe frame contrasted by a premium dark wood-grain headboard and footboard panel.

MAGNUM-24 5011

Overall Dimensions (W x D x H)
1930 (W) x 945 (D) x 810 (H) mm

This classic single hostel bed is built with a heavy-duty, powder-coated black iron frame featuring elegant, arched metal railings on both the headboard and footboard.

Hostel Bunk /Loft Bed
